# Working groups and conveners

- **MPI & Diffraction Conveners:** Christina Mesropian, Paul Newman and Mark Strikman
- **MPI & Small-x Conveners:** Victor Kim, Krzysztof Kutak and Andrew Pilkington
- **MPI & Double Parton Scattering Conveners:** Paolo Bartalini, Daniele Treleani and Wouter Waalewijn
- **MPI & Monte Carlo Conveners:** Albert Knutsson and Andrzej Siodmok

**64 talks in total**

## Summary talks, discussions, proceedings, ...

- No summary talks, but general discussion sessions: was this a successful approach?
- No proceedings, but...
  - A summary written by conveners + invited authors?
  - A "white paper" for the HEP community?
  - ...

# Thanks

- We were honoured to organize MPI@LHC 2013
- We thank the International Advisory Board
  
- We thank all the conveners, speakers and participants

Good luck to the organisers of MPI@LHC 2014!
