

International Moscow Workshop on Phenomenology of Particle Physics  
devoted to the memory of Prof. Alexei Kaidalov

Contribution ID: 24

Type: **not specified**

**Pomeron loop contribution to diffractive processes  
in stochastic approach to Reggeon Field Theory**

*Tuesday, 23 July 2013 15:30 (30 minutes)*

**Presenter:** Prof. BORESKOV (ITEP), Konstantin

**Session Classification:** Diffraction and Soft Scattering at High Energies
