Meeting in Calabria: July 8-11

FORWARD PHYSICS AT THE LHC

REGGIO CALABRIA, ITALY

July 8- 11 2013

Purpose

This workshop will deal with diffraction and forward physics at the LHC with the aim of covering present results and develop upgrade experiments in the ATLAS, CMS, TOTEM, ALICE collaborations. The meeting is scheduled to start on Monday July 8 in the morning and end on Thursday July 11 after lunch.

Registration (deadline: May 31)

Registration for Diffraction workshop

Complete this form to register for the Meeting

Please complete all relevant fields. Fields marked with * are obligatory

Contact Information:

1) Personal data:

*First Name**:

*Last Name**:

*Institution**:

*E-mail**:

*Date of arrival**:

*Date of departure**:

*Do you need an invitation for visas... (yes/no)**:

2) Scientific data:

Proposal for talk or theme to be discussed:

That is all! Please check the above input data carefully once again then press the Submit button below:

Meeting in Reggio Calabria

- Next meeting about forward physics at the LHC: Reggio Calabria, July 8-11
- Please see: http://www-d0.fnal.gov/~royon/diffraction_calabria
- **Topics:** Present results from LHC experiments, discussion about upgrades (detectors and physics) (TOTEM, ATLAS, CMS...); much time devoted to discussions
- **Place:** Reggio Calabria, south of Italy, easily accessible by plane; hotel E' (<http://www.ehotelreggiocalabria.it/>)
- Meeting will start on Monday July 8 in the morning and finish on Thursday July 11 after lunch
- Please register before May 31
- **Future meetings:** November (?) in Cracow, March (?) in Trento
