

TALENT Summer School 3 June – 14 June, 2013

Registration:

Please register for the TALENT Summer School [here](#) by 30 April 2013.

How to get to CERN:

CERN is situated on the French-Swiss border, approximately 10 kilometers from the Geneva city center and 5 km from the Geneva Airport. See this [link](#) on how to get to CERN.

The timetables of the public transportation in Geneva region can be found [here](#).

There is a free shuttle from the Geneva airport to CERN available from Monday to Friday 8 a.m. – 7 p.m. The schedule can be found [here](#).

CERN Visitor cards:

All persons entering CERN must be in possession of an access card. We will request a visitor card for you if you need one. Please indicate this in the [registration form](#). During weekdays from 8 a.m. – 5.45 p.m. the visitor cards can be picked up at the reception in building 33. Outside these hours, the visitor cards can be picked up at the main entrance (gate B, building 533). You can look up the CERN buildings in this [application](#).

Accommodation and travel:

The TALENT beneficiaries and researchers must organize their own travel and accommodation using their TALENT budget (category 3) if necessary. The associated partners and external students should indicate in the registration form if they need accommodation and contact [Hanna Poikela](#) concerning their travel arrangements. TALENT will cover the travel and accommodation for the external students and associated partners.

Internet access at CERN:

For visitor Internet access at CERN, you need to register your computer [here](#).
The contact person in the form: Hanna Poikela.

If you have any further questions please contact [Hanna Poikela](#).
