

# Welcome to the TALENT Summer School

[www.cern.ch/TALENT](http://www.cern.ch/TALENT)

(H. Pernegger / CERN)

- The TALENT Project is the Marie Curie Initial Training Network in the context of the ATLAS Tracker Upgrade program
- TALENT provides research and training in the fields of Pixel Detectors
  - Radiation-hard precision pixel sensors
  - High-density electronics and interconnection techniques
  - New mechanical supports and detector cooling
  - System integration and performance
  - Knowledge exchange and business study
- TALENT includes training to
  - Business related training
  - Complementary skill training

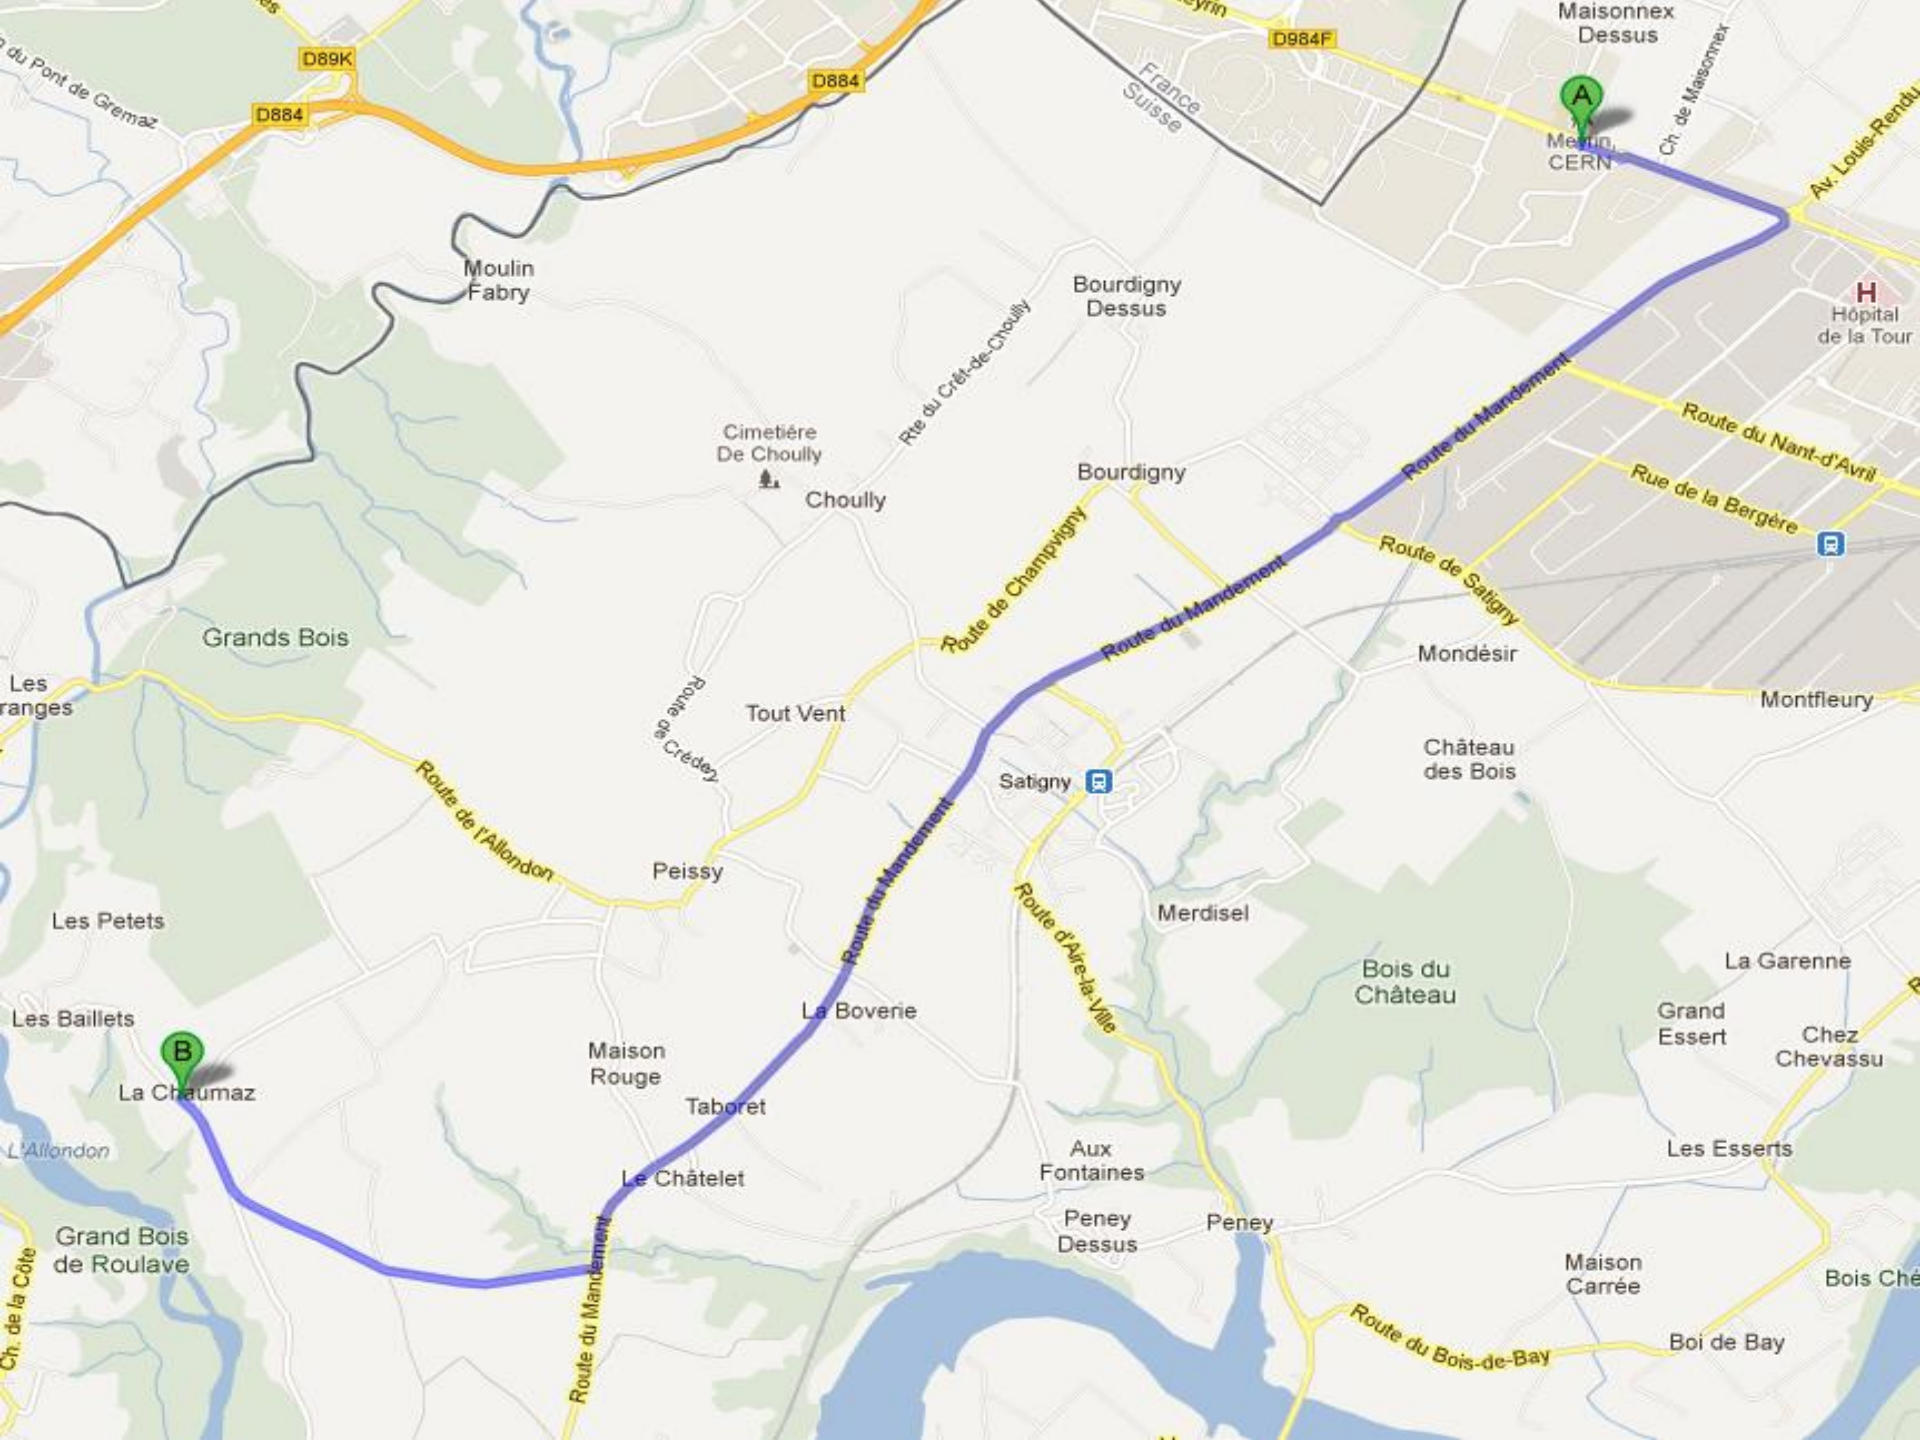

- The agenda of events and practical information:
  - <https://indico.cern.ch/conferenceOtherViews.py?view=standard&confId=237380>
- The Three Faces of our Summer School
  - Invited lectures and presentations on state-of-the-art in **Pixel technologies** (Monday-Tuesday Jun 3-4) followed by the ATLAS Pixel Workshop (Tuesday-Thursday June 11-13)
  - Lectures and Case-workshop on **knowledge exchange and business development** (Wednesday-Friday June 5-7)
  - **Complementary skill & communication** training Monday June 10 & Thursday Jun 13

- Tuesday, June 4, at 9:00 – 9:30 am
  - The ATLAS Upgrade Programme from now to Phase 2 30'  
Speaker: Heinz Pernegger (CERN)
- Wednesday, June 5
  - Seamus Hegarty wishes to meet all the TALENT researchers (ESRs and ERs) after the Business Training, at about 5pm in 40-4-C01
- Thursday, June 13
  - last session has been lengthened by 1 hour; it ends at 18:00

***The most recent information is always in Indico***

- Thursday 6.6.2013 at 19:00
- La Chaumaz
  - address: 42 rte des Bailleys, 1281 Russin
- Bus departs at 18.30 from in front of building 33
  - Dinner starts at 19.00
- The costs are covered by the TALENT network
- Lost? Call Hanna at +41 767 546 049

**Name list be handed out to indicate who participates**
