

RDA & PID Information Types

Tobias Weigel (DKRZ / Universität Hamburg)

research data sharing without barriers
rd-alliance.org

The Research Data Alliance is a framework.

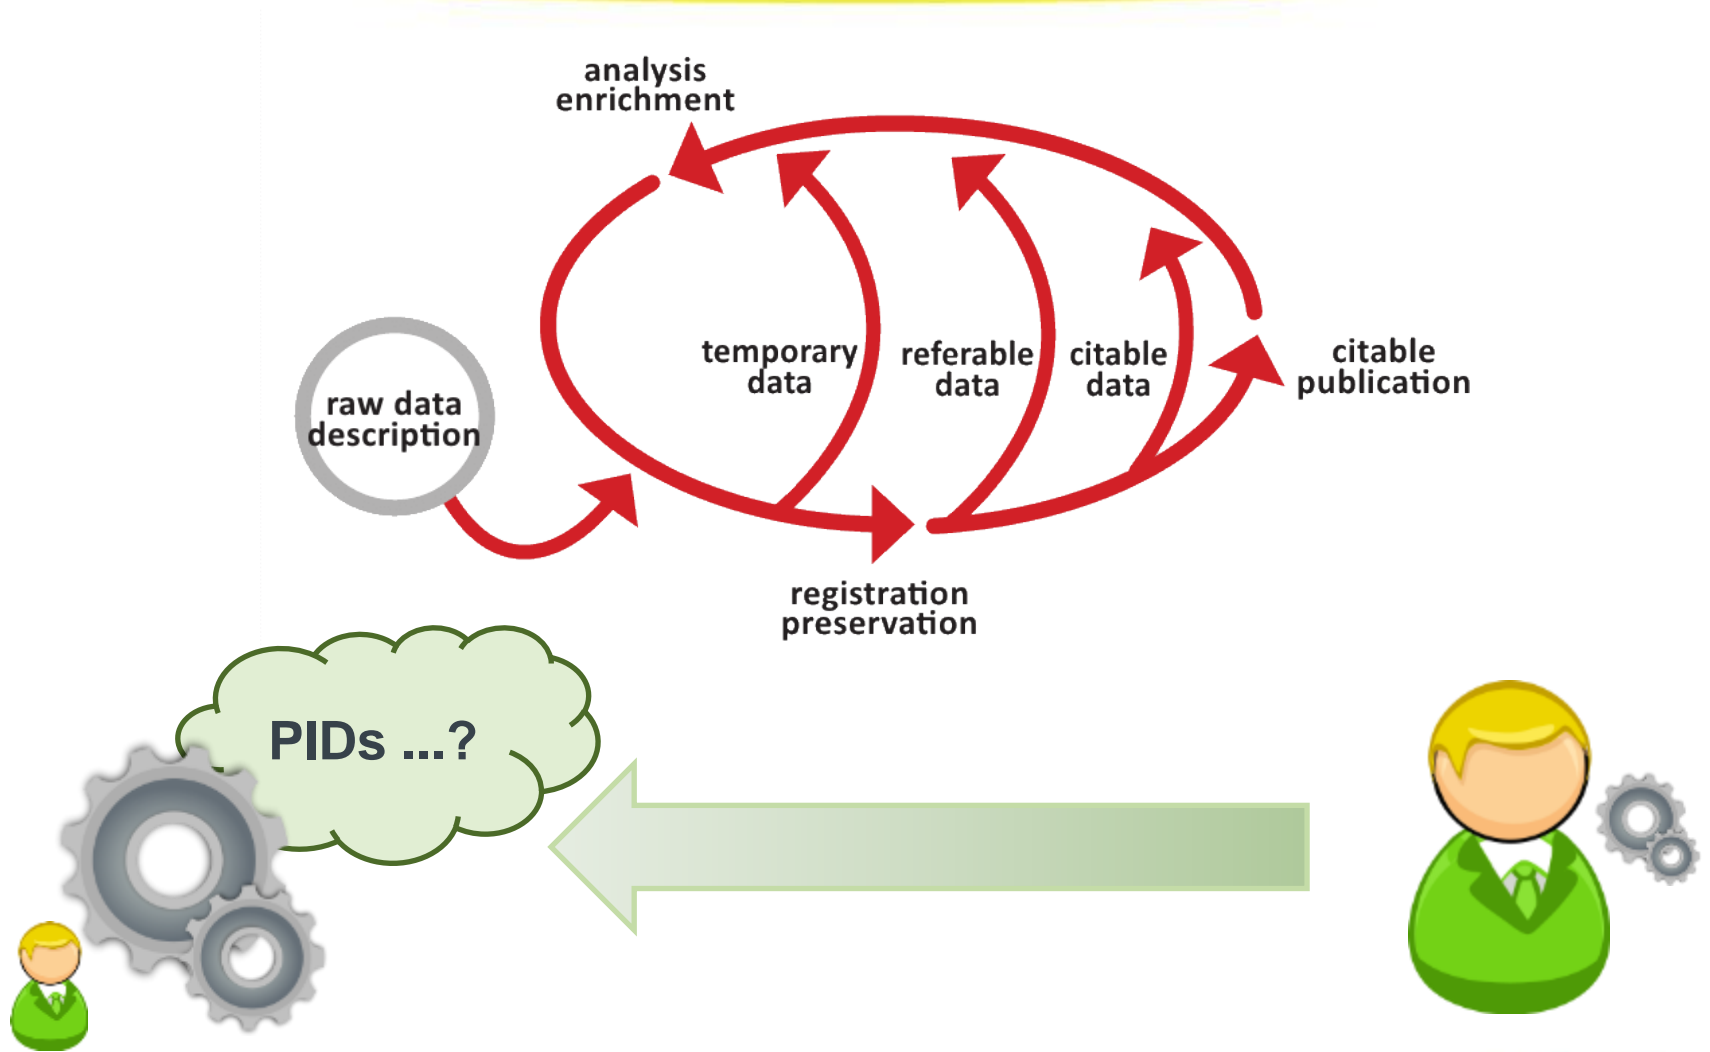

Heart of the RDA: Working & Interest Groups.

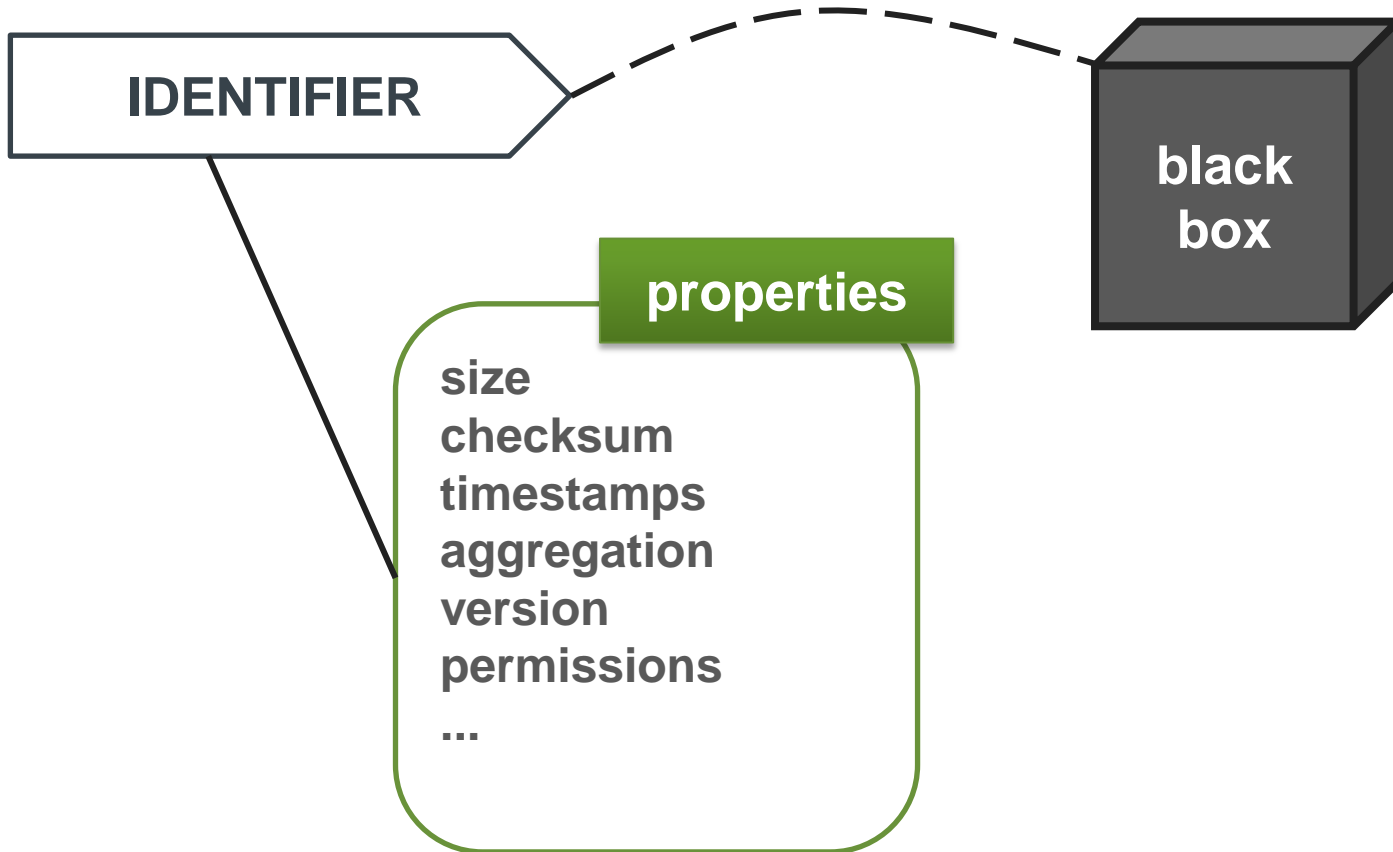

WG
18M

IG
∞

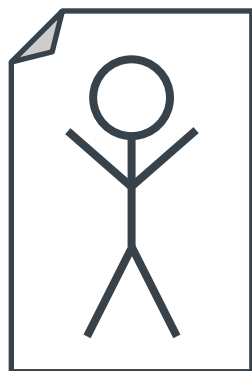

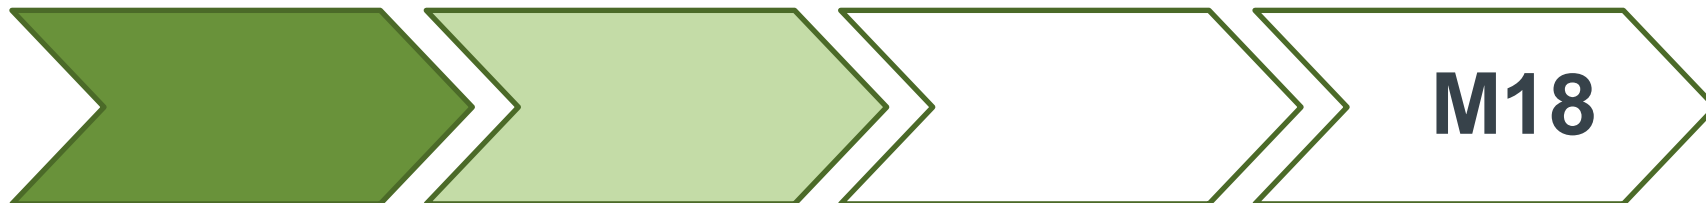

PIDs are increasingly used by machine agents.

We don't want to look into the black box.

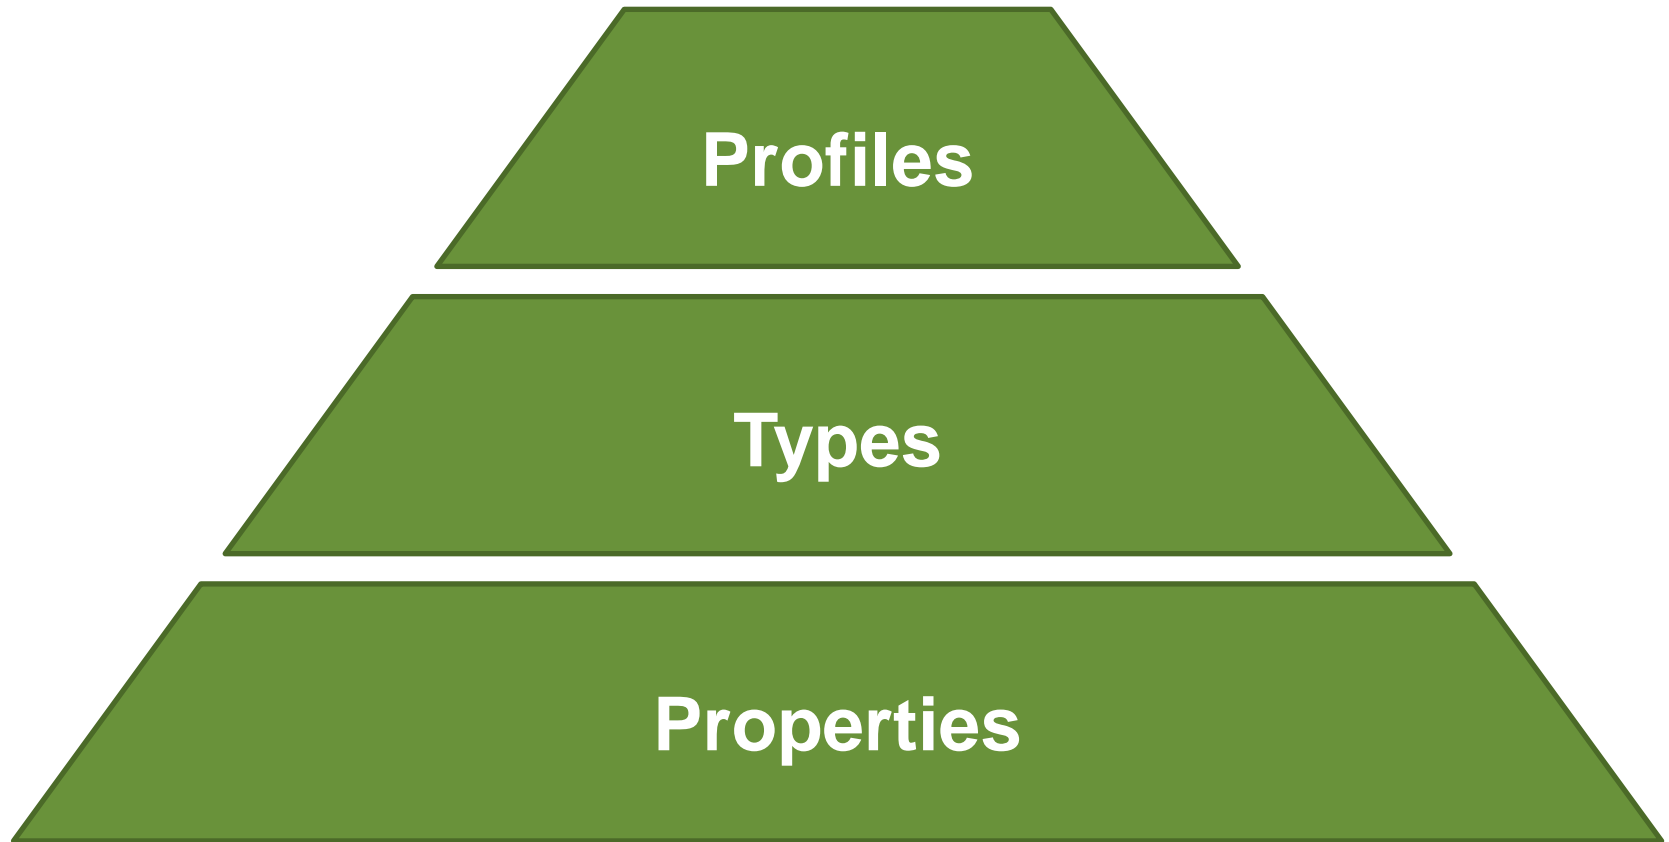

PID Information Types WG: where are we?

<T>

Organize properties to harmonize their use.

Interoperability through technical interfaces.

Higher level APIs and services

PID Info Types API

PI system

PI system

PI system

Separate infrastructure from how it is used.

Thank you for your attention.
