

Session Program

25-26 Feb 2013

inverted CERN School of Computing 2013

Introduction to Computer Vision

CERN, 513-1-24

Monday 25 February

14:00

Introduction to Computer Vision

Session | **Location:** CERN, 513-1-24

14:00–14:55

Introduction to the human visual system and image pre-processing

Speakers

Martin Philipp Hellmich, Samuele Carli

14:55–15:30

Coffee break

15:30–16:25

Introduction to image feature detection and 3D reconstruction

Speakers

Martin Philipp Hellmich, Samuele Carli

16:35–17:30

Introduction to object recognition and scene understanding

Speakers

Martin Philipp Hellmich, Samuele Carli

17:30
