15:35

Detector R&D and Future Higgs Physics Opportunities

Session | **Location:** Campus Sursee | **Convener:** T. Montaruli

15:35–15:55 **Detector R&D: cryo noble liquids**

Speaker

M. Schumann

15:55–16:15 **R&D for CLIC detectors**

Speaker

K. Elsener

16:15–16:35

Precision tests of Higgs physics & the EW theory at a circular e⁺e⁻ collider

Speaker

A. Blondel

16:35–16:55 **Higgs Physics at the ILC**

Speaker

M. Spira
