

FPCP 2013
May 19 – 24, 2013
Buzio – Brazil

FPCP 2014

R. Le Gac
on behalf of the LHCb collaboration

CPPM, CNRS/IN2P3
et Aix-Marseille Université

FPCP moves from Buzios to Marseilles in 2014

The City of Marseilles

- ▶ Created in 600 BC by Greeks from Phocaea
- ▶ Population 850 726 (2010)
- ▶ The second largest city in France after Paris
- ▶ The largest city on the Mediterranean coast and the largest commercial harbor
- ▶ Melting pot of many different cultures

Research (Marseille + Aix)

- ▶ 132 research structures (CNRS, INSERM, INRA, IRD, CEA, ...)
 - Mathematics
 - Agricultural and Ecological Sciences
 - Physics
 - Earth Science
 - Chemistry
 - Biology, Medicine, Health
 - Political Science and Humanity
 - Sciences Society
 - Engineering Sciences
 - Computing
- ▶ In our domains:
 - Centre de Physique des Particules de Marseille (CPPM)
 - Centre de Physique Therorique (CPT)

Aix-Marseille Université

- ▶ Born in January 2012 (merging of 3 universities):
 - The youngest University in France with the largest numbers of students
 - 71 000 students (10 000 foreigners)
 - 3 800 PhDs
- ▶ Disciplinary fields:
 - Art, Literature, Languages and Humanities
 - Law and Political Science
 - Economics and Management
 - Health Sciences
 - Sciences and Technology
- ▶ Shanghai ranking → top 150 worldwide (2012)

The CPPM

- ▶ Created in 1982 (CNRS/IN2P3 + Aix-Marseille Université)
 - High Energy Physics
 - Astroparticle and Cosmology
 - Biomedical Imaging
- ▶ Experiments:
 - Atlas, D0, LHCb, SuperNEMO
 - Antares, KM3Net, CTA
 - SNLS, BOSS, LSST, Euclid
- ▶ Personnel:
 - 115 Permanent, 20 Term
 - 25 PhDs
 - ~60 Visitors per year

Conference Organization

▶ Local Organization:

- CPPM and its LHCb team
- with the help a few experts from CPT and CNRS/IN2P3

▶ Financial supports:

- CNRS/IN2P3
- Aix-Marseille Université + Labex OCEVU
- City of Marseilles
- Conseil générale des Bouches du Rhone
- Conseil régional PACA

Conference Location and accommodation

- ▶ In one place, located at the centre of the city very close to the old harbor: *Hotel Mercure Marseille Centre*

A room

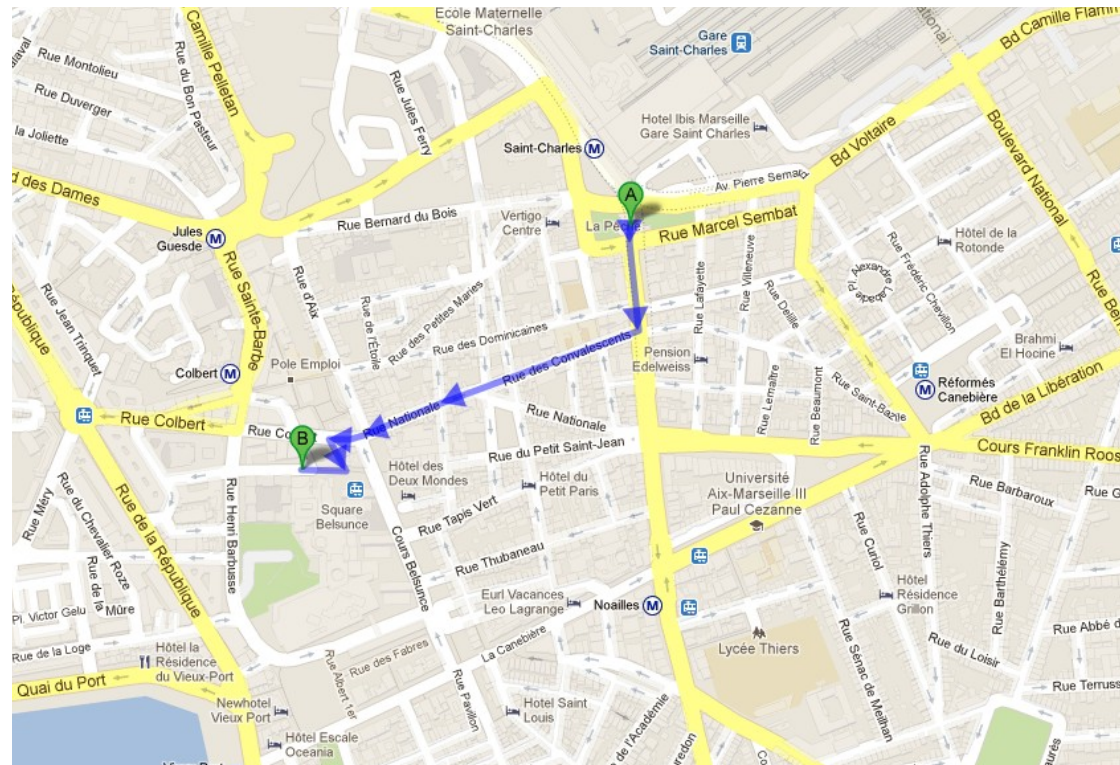

Lunch time

Conference room

Access

- ▶ 10 minutes walk from *Saint Charles* Railway station:

- ▶ 25 minutes between the railway station and the airport.
A bus every 20 minutes

Discover the City

Parc des Calanques

Jardin des vestiges – ~ 600 BC

Palais longchamp – 1862

Mucem – 2013

Technical details

Proposed date	19 – 23 Mai 2014
Number of participant	120 / 130
Fees	~300 € (including lunches, banquet and excursion)
Hotel	~135 € (including breakfast)
Proceeding	Digital format via eCONF proceedings
Scientific Secretariat	Angélique Pèpe

Souvenirs

Since 1370...

Conclusions

- ▶ We will be pleased to welcome you in the most famous city of the Universe and its neighborhood.

(Typical Marseilles Joke...)
