## CP violation mixing and asymmetries

Session | Location: | Convener: Erica Polycarpo Macedo

16:30-17:00 **Semileptonic mixing asymmetry measurements of ASSL and ADSL**

**Speaker**

Martino Margoni

17:00-17:30 **CP violation in Bs oscillations at ATLAS, CMS and Tevatron**

**Speaker**

James William Walder

17:30-18:00 **Measurement of CP violation in Bs oscillations at LHCb**

**Speaker**

Bruno Souza De Paula

18:00-18:30 **Dimuon charge asymmetry in p pbar collisions**

**Speaker**

Bruce Hoeneisen
