

Session Program

19-24 May 2013

FPCP 2013 - Flavor Physics & CP Violation

Coffee break / Posters

Buzios - Rio de Janeiro
Hotel Atlântico Búzios Brazil

Sunday 19 May

10:30

Coffee break / Posters

Poster Session | **Location:** Hotel Atlântico Búzios Brazil

Measurement of the forward-central $b\bar{b}$ production asymmetry

Speaker

Valdir Salustino Guimaraes

Location

The Z' boson decay in the standard model fermions

Speakers

Alexander Lunkes dos Santos, Dimiter Hadjimichef

Location

Hotel Atlântico Búzios Brazil

Evidence of CP Violation in charmless three-body decays

Speaker

Helder Lopes

Location

Hotel Atlântico Búzios Brazil

Bound State Correction In CP Violation

Speaker

Daniel da Silva

Location

Hotel Atlântico Búzios Brazil

B-D and B-tv in flavor dependent chiral U(1) models

Speaker

Chaehyun Yu

Location

Hotel Atlântico Búzios Brazil

Scalar resonance effects on the B - B mixing angle in $B \rightarrow J/\psi \phi$

Speaker

Bruno El-Bennich

Location

Hotel Atlântico Búzios Brazil
