

Session Program

24-29 Jun 2013

**XXVI International Symposium on Lepton
Photon Interactions at High Energies**

Beyond the Standard Model Physics

San Francisco, California, UCSF Mission Bay Conference Center

Sunday 23 June

16:00

Beyond the Standard Model Physics: Dean Karlen (University of Victoria)

Session | **Location:** San Francisco, California, UCSF Mission Bay Conference Center

16:00–16:30 **Theoretical Results on Physics Beyond the Standard Model**

Speaker
Mihoko Nojiri

16:30–17:00 **Searches for Supersymmetry at Colliders**

Speaker
Andreas Hoecker

17:00–17:30 **Searches for New Physics at Colliders**

Speaker
Salvatore Rappoccio

18:00
