

Session Program

27-30 Sept 2013

OpenDays Lectures

Keynote Presentations

CERN

Saturday 28 September

09:30

Keynote Presentations: Keynote Presentations

Session | **Location:** CERN, 500/1-001 - Main Auditorium

09:30–10:30 **The LHC, the Higgs Boson and our life**

Speaker

Dr Fabiola Gianotti

10:30–11:30 **Cosmology**

Speaker

Licia Verde

11:30–12:30 **Medicine and particles**

Speaker

Erika Garutti

13:30–14:30 **Lonely Planet - Research: a travel guide to life in science**

Speaker

Erika Felt

14:30–15:30 **Particle accelerators and society**

Speaker

Lyn Evans

15:30–16:30 **Newton's chicken: communicating science in the kitchen**

Speaker

Massimiano Bucchi

16:30–17:30 **L'évolution du web**

Speaker

Robert Cailliau

17:30–18:30 **Particle physics: the open questions**

Speaker

Michelangelo Mangano

18:30

Sunday 29 September

09:30

Keynote Presentations

Session | **Location:** CERN, 500/1-001 - Main Auditorium

09:30–10:30 **Medecine and particles**

Speaker
Erika Garutti

10:30–11:30 **Newton's chicken: communicating science in the kitchen**

Speaker
Massimiano Bucchi

11:30–12:30 **The LHC, the Higgs boson and our life**

Speaker
Fabiola Gianotti

12:30–13:30 **Mid-Day-Break**

13:30–14:30 **Lonely Planet - Research: A travel guide to life in science**

Speaker
Ulrike Felt

14:30–15:30 **Les accélérateurs de particules dans la société technologique**

Speaker
Lyn Evans

15:30–16:30 **Cosmology**

Speaker
Licia Verde

16:30–17:30 **Past and future of the web**

Speaker
Robert Cailliau

17:30–18:30 **Physics - The Open Questions**

Speaker
Michelangelo Mangano

18:30
