

Session Program

18-19 Apr 2013

TOP LHC WG meeting

Current combinations and limitations from theoretical uncertainties

CERN, 4/3-006 - TH Conference Room

Thursday 18 April

14:15

Current combinations and limitations from theoretical uncertainties

Session | **Location:** CERN, 4/3-006 - TH Conference Room

14:15–14:35 **W helicity combination**

Speaker

Kevin Alexander Kroeninger

14:40–15:10 **Top mass combination and fragmentation/hadronisation uncertainties**

Speaker

Steve Wimpenny

15:10–15:40 **Discussion time**

15:40–16:00 **Extrapolation uncertainties from single top generators**

Speaker

Dominic Hirschbuehl

16:00–16:30 **Discussion time**

16:30
