

# **DIS 2008**

**Monday 7 April 2008 - Friday 11 April 2008**

**University College London**

## **Scientific Programme**

**Diffraction and Structure Functions**

**Diffraction and Vector Mesons**

**Diffraction and Vector Mesons and Spin Physics**

**Electroweak and BSM**

**Electroweak Physics and Structure Functions**

**Electroweak Physics and Hadronic Final States**

**Future Facilities**

**Hadronic Final States**

**Heavy Flavour**

**Heavy Flavour + Structure Functions**

**Plenary Sessions**

**Spin Physics**

# Structure Functions
