5-9 Jun 2013

Higgs and Beyond

Non-SUSY New Physics

Tohoku University, Centennial Hall Kawauchi Hagi Hall
Kawauchi, Aoba, Sendai 980-8576, Japan

Friday 7 June

09:00

Non-SUSY New Physics

Session |

Location: Tohoku University, Centennial Hall Kawauchi Hagi Hall, Kawauchi, Aoba, Sendai 980-8576, Japan |

Convener: Maria Krawczyk

09:00–09:30

Higgs boson as a gauge field in extra dimensions -- Pinning it down at LHC and ILC

Speaker

Yutaka Hosotani

09:30–10:00

Discovering Walking Technicolor at LHC and on the Lattice

Speaker

Koichi Yamawaki

10:00–10:30

Extra Dimension

Speaker

Seong Chan Park

10:30

10:50

Non-SUSY New Physics

Session |

Location: Tohoku University, Centennial Hall Kawauchi Hagi Hall, Kawauchi, Aoba, Sendai 980-8576, Japan |

Convener: Maria Krawczyk

10:50–11:30

Searches for Exotics with jets + X at the LHC

Speaker

Pekka Sinervo

11:30–12:10

Searches for Exotics with other signature at the LHC

Speaker

Koji Terashi

12:10
