

**Session Program**

**14-18 Oct 2013**

**ISOLDE Shell Model Course for Non  
Practitioners**

***Computing Session II: Effective interactions  
for SM calculations***

CERN, 593-R-010

## Tuesday 15 October

14:00

### Computing Session II: Effective interactions for SM calculations

**Session** | **Location:** CERN, 593-R-010

14:00–15:00 **Structure of Hamiltonian files**

15:00–16:00 **Modifying the s.p. energies**

16:00–17:00 **Modifying the monopoles (option 52)**

17:00–18:00 **Calculating ESPE**

18:00
