

**Session Program**

**15-18 Jul 2013**

**Forward Physics at the LHC**

***Low luminosity session***

Other Institutes, Calabria

# Monday 15 July

09:30

## Low luminosity session

**Session** | **Location:** Other Institutes, Calabria

09:30–10:00 **Physics results from Totem**

**Speaker**

Tuula Maki

10:00–10:30 **Status and prospects for soft QCD studies at LHCb**

**Speaker**

Dmytro Volyanskyy

10:30–11:00 **Review of current and upcoming ATLAS results**

**Speaker**

Tim Martin

11:00–11:20 **Coffee break**

11:20–11:50 **Status and prospects for CEP measurements at LHCb**

**Speaker**

Paula Collins

11:50–12:20 **Quarkonia production**

**Speaker**

Lucian Harland-Lang

12:20–12:50 **LHCf**

**Speaker**

Gaku Mitsuka

12:50
