

Session Program

15-18 Jul 2013

Forward Physics at the LHC

Medium luminosity session

Other Institutes, Calabria

Tuesday 16 July

09:00

Medium luminosity session

Session | **Location:** Other Institutes, Calabria**09:00–09:30** **The AFP project****Speaker**

Michael Rijssenbeek

09:30–10:00 **The CMS/Totem upgrade proposal****Speaker**

Joachim Baechler

10:00–10:30 **Diffraction in CMS****Speaker**

Sercan Sen

10:30–11:00 **Coffee break****11:00–11:30** **BFKL observables at the LHC****Speaker**

Agustin Sabio Vera

11:30–12:00**Forward jets, forward-central dijets and dijets with large rapidity separation****Speaker**

Grzegorz Brona

12:00–12:30**Mueller Navelet jets at LHC: a clean test of QCD resummation effects at high energy?****Speaker**

Mr Bertrand Ducloue

12:30
