

Session Program

1-3 Oct 2013

**ECFA High Luminosity LHC Experiments
Workshop - 2013**

Closing session

Thursday 3 October

14:00

Closing session

Session | **Conveners:** Didier Claude Contardo, Prof. Philip Patrick Allport

14:00–14:20

Accelerator-experiment interface & LS constraints, summary and next steps

Speaker

Beniamino Di Girolamo

14:25–14:45

Physics goals and detector requirements, summary and next steps

Speaker

Prof. Chris Hill

14:50–15:10

Technology & R&D, summary and next steps

Speaker

Burkhard Schmidt

15:15–15:35

Concluding remarks & future workshops

Speakers

Didier Claude Contardo, Prof. Philip Patrick Allport

16:00
