

Session Program

1-3 Oct 2013

**ECFA High Luminosity LHC Experiments
Workshop - 2013**

***Long Shutdown Constraints and Radiation
and Activation Effects***

Wednesday 2 October

09:50

Long Shutdown Constraints and Radiation and Activation Effects

Session | **Conveners:** Wolfram Zeuner, Olga Beltramello

09:50-10:10 **Activation and radiation issues**

Speaker

Olga Beltramello

10:15-10:35 **Infrastructure changes and upgrades**

Speaker

Fernando Baltasar Dos Santos Pedrosa

10:40-11:00 **HL-LHC - The challenges in upgrading the experiments**

Speaker

Wolfram Zeuner

11:05
