

Session Program

19-20 Aug 2013

LPC Workshop on Gauge Boson Couplings

Session 2

LPC, Sunrise

Monday 19 August

10:30

Session 2

Session | **Location:** LPC, Sunrise | **Convener:** Dan Green

10:30–11:15

VV scattering at 8 and 13 TeV as probe of electroweak symmetry breaking and quartic gauge couplings

Speaker

James Gainer

11:15–12:00

New physics signatures from high mass VV resonances and multi-boson production

Speakers

R. Sekhar Chivukula, Prof. Sekhar Chivukula

12:00
