

Session Program

28-29 Nov 2013

HIE-ISOLDE Workshop: The Technical Aspects

Overview

CERN, Globe of Science

Thursday 28 November

09:05

Overview

Session | **Location:** CERN, Globe of Science | **Convener:** Mark L Huyse

09:05–09:30

Status and Future Perspectives of the HIE-ISOLDE Project at CERN

Speaker

Yacine Kadi

09:30–09:55

Nb Sputtering Quarter Wave Cavities for HIE-ISOLDE

Speaker

Walter Venturini Delsolaro

09:55–10:15

An introduction to the HIE-ISOLDE Design Study

Speaker

Richard Catherall

10:15–10:45

New Opportunities with HIE-ISOLDE

Speaker

Prof. Piet Van Duppen

10:45
