

## **Session Program**

**28-29 Nov 2013**

# **HIE-ISOLDE Workshop: The Technical Aspects**

## ***Overview***

CERN, Globe of Science

# Thursday 28 November

09:05

## Overview

**Session** | **Location:** CERN, Globe of Science | **Convener:** Mark L Huyse

09:05–09:30

### **Status and Future Perspectives of the HIE-ISOLDE Project at CERN**

**Speaker**

Yacine Kadi

09:30–09:55

### **Nb Sputtering Quarter Wave Cavities for HIE-ISOLDE**

**Speaker**

Walter Venturini Delsolaro

09:55–10:15

### **An introduction to the HIE-ISOLDE Design Study**

**Speaker**

Richard Catherall

10:15–10:45

### **New Opportunities with HIE-ISOLDE**

**Speaker**

Prof. Piet Van Duppen

10:45
