

Contribution ID: 10

Type: not specified

Strain and magnetic field responses of critical current in externally reinforced GdBCO coated conductor tapes at 77 K

Tuesday 18 June 2013 09:00 (1h 30m)

Author: SHIN, ET AL, H. (Andong National University)

Presenter: SHIN, ET AL., H. (Andong National University)

Session Classification: Conductors, Structures and Properties I
