

ICMC-2013, the International Cryogenics Materials Conference

Tuesday 18 June 2013

Conductors, Structures and Properties I: 1MPoB6 posters - Indughet Exhibition Hall (09:00 - 10:30)

-Conveners: Anna Kario; David Robert McGuire

[id] title	presenter	board
[4] Cryogenic Properties of Alumina Strengthened Copper for High Field Magnets	TOPLOSKY, ET AL, V.J.	
[2] Review of specimen heating in mechanical tests at cryogenic temperatures {nc}	OGATA, T.	
[10] Strain and magnetic field responses of critical current in externally reinforced GdBCO coated conductor tapes at 77 K	SHIN, ET AL., H.
