

Lattice Meets Continuum: QCD Calculations in Flavour Physics

Wednesday 1 October 2014

Methods for Analytical Calculations on the Lattice (11:10 - 13:00)

-Conveners: Tobias Huber

time	[id] title	presenter
11:10	[23] Analytic Methods for Precise Predictions	LEHNER, Christoph
11:50	[24] Continuum Methods and Applications for Lattice Theory	STURM, Christian
12:30	Discussion (Chairperson: Tobias Huber)
