

Proceedings of DIS2014

- ▶ Will be released online with Proceedings of Science (PoS), the open access online journal organized by SISSA;
- ▶ deadline for sending contributions: **June 30, 2014**;
- ▶ **6 pages** for a **parallel** talk and **15** for a **plenary** one;
- ▶ peer-review by the Editorial Board: session conveners + Jan Kalinowski (chair).

The screenshot shows the PoS website with the following content:

- Navigation:** Home, About Us, Conferences, Publications, Contact Us, Help
- Text:** This website is versatile tool tailored to meet conferences publishing requirements. Publishing your proceedings on PoS is straightforward and suitable for the researcher's open access needs. You can also browse our archive of published proceedings & lecture notes for the scientific community.
- Upcoming conferences:**

2016 - Published 25-26 Jul 2016	International Symposium on Hadron Interactions in the Dark - ISH	Published in October 2016
2016 - Published 26-27 Jul 2016	International Workshop on Particle Interactions and Dark Matter	Published in October 2016
2016 - Published 27-28 February 2016	Grid Technology for Particle Modeling and Simulation	Published in April 2016
2016 - Published 28-29 January 2016	International Workshop on Top Quark Physics	Published in April 2016
2016 - Published 27-28 August 2016	2016 Johns Hopkins Workshop on Current Problems in Particle Theory	Published in April 2016
2016 - Published 27-28 Aug 2016	International Conference on Statistical Mechanics at Particle and Nuclear level II-IC	Published in April 2016
2016 - Published 27-27 Jul 2016	HEP&NP International Conference on High Energy Physics	Published in April 2016
- Recent conferences:**

2015 - Published 14-15 Jun 2015	2015 Johns Hopkins Workshop on Current Problems in Particle Theory	Published in March 2015
2015 - Published 14-15 Jun 2015	Global Systemic Energy Markets and Sustainability	Published in March 2015

PoS - Proceedings of Science

An online proceedings and lecture notes series published by SISSA

PoS was set up in 2005 to capitalise SISSA's pioneering experience in electronic scholarly publishing (initially with JHEP, later followed by JCAP, JSTAT, JINST and JCOM).

PoS aims to offer a **versatile, quick, low-cost and open access** service run by the scientific community for the scientific community.

GOOD-BYE DIS2014!

Thanks and see you all @ SMU, Dallas
