

Session Program

8-10 Jan 2008

Third Network Meeting
Presentations and Discussions

Lund, Department of Theoretical Physics

Tuesday 8 January

14:00

Presentations and Discussions

Session | Location: Lund, Lecture Hall F, Department of Theoretical Physics

14:00–14:30 **Aspects of dipole showers**

Speaker
Simon Plätzer

14:30–15:00 **Dipole inspired cascades in Sherpa**

Speaker
Jan Winter

15:00–15:30 **Time-like showers and matching with antennae**

Speaker
Peter Skands

15:30–16:00 **break**

16:00–16:30 **Simulation of the Underlying Event in Herwig++**

Speaker
Manuel Bähr

16:30–16:50 **Vector Meson Production in the Mueller dipole model**

Speaker
Christoffer Flensburg

16:50–17:10 **Presentation of PhD project**

Speaker
Luca D'Errico

17:10–17:30 **Soft Physics in Sherpa: Hadron Decays Update**

Speaker
Frank Siegert

18:00
