

TEDx European Organizers meeting at CERN

TEDx

x = independently organized TED event

Friday 15 November 2013 - Saturday 16 November 2013

CERN

Scientific Programme

We offer Site tours on Friday for those who want to visit the LHC. Please note that we can only offer slots of 20 People, each but 3 of them during the day. First tour starts at 1030am, please consider your travel plans and let us know which tour you wish to participate.

TEDxCERN would like to offer the participants of the European TEDx Organizers meeting, drinks on Friday November 15th at Mr. PickWick pub downtown Geneva followed by the international acclaimed band composed by CERN physicists, the Canettes Blues Band.

The meeting on Saturday will split into working groups with the following agenda(s):

- follow up on the TEDx Actions
- ask the TEDxAmbassadors
- brainstorm on further TEDx formats, like a paneuropean TEDx Day
- brainstorm on activities at TEDxSummit 2014 in Berlin

For those who extend their time in CERN/Geneva on Sunday, we have a few suggestions of social Events on Sunday.
