

# ISOLDE Workshop and Users meeting 2013

## Wednesday, 27 November 2013

### Medium towards Heavy Nuclei I - The Globe (14:00 - 16:00)

-Conveners: BOGDAN FORNAL

| time  | [id] title   | presenter                 |
|-------|--|---------------------------|
| 14:00 | [8] Pear-shaped nuclei   | Prof. BUTLER, Peter       |
| 14:30 | [56] EDM experiments with Nuclear Probes   | WILLMANN, Lorenz          |
| 15:00 | [24] Cluster-transfer reactions with radioactive 98Rb and 98Sr beams on a 7Li target | Dr BOTTONI, Simone        |
| 15:20 | [4] Coulomb excitation of 140Sm  | KLINTEFJORD, Malin Linnea |
| 15:40 | [26] Studies of nuclear structure using the ISOLTRAP mass spectrometer               | ATANASOV, Dinko           |
