Network Connection Request Form .

Network Connection Request Forms - External Visitor's Computer Registration

Consult the "[Portable computers at CERN: Visitors](#)" page for more information

This registration page applies for short term **external** visitors (i.e. people from external companies, etc.) willing to make use of the CERN campus network with their own computer during their visit.

This does not apply to "CERN users", neither CERN physicists having an account at CERN, nor to any member of the CERN personnel.

- I am an external visitor and want to register **my** portable.
- I want to register a computer on behalf of someone else.

Do you have an account in the CERN computing infrastructure? (mail,NICE,AFS).

- Yes.
- No.

You are required to fill in the External Visitor questionnaire.
