

The Structure and Signals of Neutron Stars, from Birth to Death

Friday 28 March 2014

Evening session - Parallel A (16:30 - 18:00)

-Conveners: Leonardo Gualtieri

time	[id] title	presenter
16:30	[85] Instability windows and evolution of rapidly rotating neutron stars	GUSAKOV, Mikhail
16:50	[89] New possible class of rapidly rotating neutron stars	CHUGUNOV, Andrey
17:05	[95] Magnetic fields and r-modes in slowly rotating relativistic neutron stars	CHIRENTI, Cecilia
