

**Session Program**

**1-2 Apr 2004**

**Frequency Map Analysis Workshop**

***Experimental Frequency maps***

LURE (France), Building 209D, room 110

## Thursday 1 April

14:00

### Experimental Frequency maps: L. Farvacque

**Session** | **Location:** LURE (France), Building 209D, room 110

14:00–14:45 **FMA experiments at the ALS (D. Robin)**

14:45–15:30

**Measured and calculated frequency maps for the BESSYII storage ring (P. Kuske)**

15:30–15:45

**Recent experimental Frequency maps at Bessy II and SLS (M. Belgroune)**

15:45–16:15 **Discussions**

16:15–16:45 **Coffee Break**

16:45–17:05

**Experimental Frequency Maps for the ESRF Storage Ring (Y. Papaphilippou)**

17:15
