

EDS Blois 2013: The 15th conference on Elastic and Diffractive scattering

Tuesday 10 September 2013

Hard diffraction (15:00 - 16:30)

-Conveners: Christina Mesropian; Rainer Schicker

time	[id] title	presenter
15:00	[19] Hard diffraction at the TEVATRON	GOULIANOS, Dino
15:30	[20] Hard diffraction at HERA	VALKAROVA, Alice
16:00	[21] CMS results on hard diffraction	MESROPIAN, Christina

Hard diffraction: Hard diffraction (17:00 - 19:00)

-Conveners: Christina Mesropian; Rainer Schicker

time	[id] title	presenter
17:00	[22] Diffractive W-production	PASECHNIK, Roman
17:30	[23] Pomeron structure in dijet and gamma-jet events	ROYON, Christophe
18:00	[24] New formulation for central production in high-energy diffractive excitations at very high center-of-mass energies	CHUNG, Suh-Urk
18:30	[25] Status report LHC working group on diffraction	KEPKA, Oldrich
