

**RD51-WG7**  
**TEST BEAM NEWS**

July 15<sup>th</sup> PS beam for users starts

Oct. 13<sup>th</sup> SPS beam for users starts

Dec. 14<sup>th</sup> beam stops

- In total 63 days available in NA for all users
- H4irrad moves to PS dedicated region
- We hope to get ~ 2 weeks at H4 for RD51
- How many groups are interested ?
- We need a good case:

*“why in 2014 and not in 2015”?*
