

Session Program

22-26 Sept 2008

CRYOGENICS OPERATIONS 2008

Cryo Ops 2008

OPERATION 1

CERN, 503/1-001 - Council Chamber

Tuesday 23 September

09:00

OPERATION 1

Session | **Location:** CERN, 503/1-001 - Council Chamber

09:00-09:25

Welcome and introduction to CERN

Speaker

Dr Philippe Lebrun

Location

CERN, 503/1-001 - Council Chamber

09:30-09:55

The world of cryogenics at CERN

Speaker

Dr Dimitri Delikaris

Location

CERN, 503/1-001 - Council Chamber

10:00-10:30

Coffee break

10:30-10:55

LHC Cryogenics: Cool-down of the ring for commissioning and first beams

Speaker

Mr Serge CLAUDET

Location

CERN, 503/1-001 - Council Chamber

11:00-11:25

Design choices of the cryogenic system for the long-term operation of ATLAS and CMS detector magnets

Speaker

Mr Nicolas DELRUELLE

Location

CERN, 503/1-001 - Council Chamber

11:30-11:55

Continuous operation of liquefied noble gas calorimeters at CERN

Speaker

Dr Johan Bremer

Location

CERN, 503/1-001 - Council Chamber

12:00
