

Session Program

25-30 May 2014

FPCP 2014 - Flavor Physics & CP Violation

Rare and semileptonic B decays I

Marseille, Riou / Planier
Hotel Mercure Marseille Centre Vieux Port 1 rue Neuve St Martin 13001 Marseille France

Tuesday 27 May

15:00

Rare and semileptonic B decays I

Session |**Location:** Marseille, Riou / Planier, Hotel Mercure Marseille Centre Vieux Port 1 rue Neuve St Martin 13001 Marseille France |**Convener:** Giampiero Mancinelli

15:00–15:30

Theoretical status of rare and semileptonic heavy meson decays

Speaker

Roman Zwicky

15:30–16:00

Recent phenomenological results in rare B decays

Speaker

Tobias Hurth

16:00
