

XXX-th International Workshop on High Energy Physics “Particle and
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations
and New Projects”

Contribution ID: 23

Type: **not specified**

QCD results from ATLAS and CMS

Tuesday 24 June 2014 14:25 (30 minutes)

Presenter: LEYTON, Michael (University of Texas at Dallas (US))

Session Classification: QCD & general QFT
