

XXX-th International Workshop on High Energy Physics “Particle and
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations
and New Projects”

Contribution ID: 59

Type: **not specified**

B-mode in CMB polarization. What's that and why it is interesting.

Friday 27 June 2014 16:25 (35 minutes)

Presenter: DOLGOV, Alexander (INFN)

Session Classification: Theoretical and observational cosmology
