

XXX-th International Workshop on High Energy Physics “Particle and
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations
and New Projects”

Contribution ID: 50

Type: **not specified**

On the flavor composition of the high energy neutrino events in IceCube

Thursday 26 June 2014 18:55 (20 minutes)

Presenter: PALOMARES-RUIZ, Sergio (Unknown)

Session Classification: Neutrino physics
