

XXX-th International Workshop on High Energy Physics “Particle and  
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations  
and New Projects”

Contribution ID: 53

Type: **not specified**

## Measurement of the Cosmic Ray Energy Spectrum and of the Muon content of EAS with the Pierre Auger Observatory

*Friday 27 June 2014 09:55 (25 minutes)*

**Presenter:** Mr ESPADANAL, Joao (LIP, Lisbon)

**Session Classification:** High energy cosmic rays
