

XXX-th International Workshop on High Energy Physics “Particle and
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations
and New Projects”

Contribution ID: 95

Type: **not specified**

Cosmological consequences of the relativistic theory of gravitation

Friday, 27 June 2014 15:50 (35 minutes)

Co-author: Mr MODESTOV, Konstantin (MSU CE, MSU, Moscow)

Presenters: Mr MODESTOV, Konstantin (MSU of CE, Moscow); Mr CHUGREEV, Yury (BITP MSU, Moscow)

Session Classification: Theoretical and observational cosmology
