

XXX-th International Workshop on High Energy Physics “Particle and  
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations  
and New Projects”

Contribution ID: 14

Type: **not specified**

## Backgrounds and calorimetry at future linear colliders

*Monday 23 June 2014 17:50 (25 minutes)*

**Presenter:** Dr MARKIN, Oleg (ITEP, Moscow)

**Session Classification:** Physical possibilities of future colliders and other facilities
