

XXX-th International Workshop on High Energy Physics “Particle and
Astroparticle Physics, Gravitation and Cosmology: Predictions, Observations
and New Projects”

Contribution ID: 71

Type: **not specified**

Baryon spectroscopy from analysis of meson photoproduction data

Tuesday, 24 June 2014 18:05 (25 minutes)

Presenter: SARANTSEV, Andrey (Bonn University)

Session Classification: Hadron spectroscopy and Heavy quarks
