## Bus route from Tsukuba center to university

You can get in the bus from **the center door and pick up a small ticket**. A number printed on your ticket indicates the place where you get in the bus. The display inside the bus tells you how much you need pay according to the number on your ticket. You can get off the bus at "Daigaku kaikan" from **the front door by paying the fee** with the small ticket you picked up before. There should be an automat inside the local bus in order to exchange your (1000 yen ~ 10\$) bill into coins, since you need to pay the exact amount of fee 190yen (Tsukuba center – Daigaku kaikan). **Some buses do not have this ticket system, in this case you can just pay 190yen when you get off the bus.**
