

## **Session Program**

**3-8 Mar 2014**

### **ALICE Physics Analysis and Tier-1/2 Workshop**

***ALICE physics overview, Global observables***

# Monday 3 March

10:20

## ALICE physics overview, Global observables

**Session** | **Location:** | **Convener:** Prof. Hideki Hamagaki

### 10:20-11:05 ALICE physics overview

**Speaker**

Dr Andreas Morsch

11:05-11:35

### Charged particle density measurement and global observables in ALICE

**Speaker**

Maxime Guilbaud

11:35-12:05

### CGC, Glasma and Strong Fields

**Speaker**

Kazunori Itakura

12:05
