

23-27 SEPT 2013  
DRUPALCON  
Prague

Cath Noble

ENTICE, 30 Oct 2013

# Keynotes

- Dries Buytaert
  - [The State of Drupal 8](#)
- Lisa Welchman
  - [The Paradox of Open Growth](#)
  - Governance of Drupal and its growing community
    - How to successfully steward & protect Drupal growth and innovation.
- Aral Balkan
  - [Experience-driven Open Source](#)
  - Bring design-thinking to open source, safeguard your privacy, own your data, your devices and your services.

# Project Management training

- Agile project management
- Delivered by WunderRoot/WunderKraut
  - Healthy Web Projects blog posts: <http://wunderroot.co.uk/healthy-web-projects>
  - Scaling Agile at Spotify: <https://dl.dropboxusercontent.com/u/1018963/Articles/SpotifyScaling.pdf>

# Some sessions

- [Introducing user-centred design in a 100,000+ person corporation](#)
  - Experience in a huge bank and its corporate culture.
- [How to close 1000+ websites and replace them with a Drupal platform](#)
  - Municipality of Copenhagen has gone Drupal in large-scale.
  - Keeping sight of goals, scalability, flexibility.
- [From homepage to hypertext preprocessor and back again](#)
  - “people never use things in the way you expect”
  - Extract patterns: hurricanes and strawberry poparts
  - Step back; you’ve got to think about the ‘why’?
