## Preparing for an interview

*Tuesday 15 April 2014 14:20 (1 hour)*

The key to a successful job interview is good preparation. Preparation means not only researching the position, but also knowing what to expect in terms of interview techniques. This presentation will focus on personal preparation as well as what interview techniques to expect such as asynchronous video interviewing and competency-based interviewing.

**Presenter:** LINDQVIST, Antti Heikki (CERN)
