Few items

- PL transition in spring from Steve to Dave has gone very smoothly.
- Dave will present PL report. Status of manpower: we are coping well but margins are thin. Please think of where you can contribute/keep contributing.
- Saverio will present activities of the SCT speaker committee.
- My two year term as SCT IB chair runs out in spring 2014. Dave Robinson will organise the search committee and elections for the next IB chair.

Humbolt University has expressed interest to join the SCT

- Humbolt University is already an ATLAS member
- Existing involvement with ATLAS Pixels and with ATLAS strip upgrade programme, led by Heiko Lacker. Some activities on SCT have already started.
- Sergio Grancagnolo is in person here today as an observer for Humbolt University and Heiko Lacker connected on Vidyo(?)
- Sergio will present the EoI on behalf of the group
